1733. SHRIMATI ILA BHATTACHARYA: Will the Minister of TRANSPORT be pleased to state:

(a) whether it is laid down in Railway Board's letter of 21st November, 1980 that upon the introduction of a new insurance scheme from 1st January, 1982 the amount of old insurance scheme be credited to the General Provident Fund accounts of the employees;

(b) whether such amounts have been credited to the G.P.F. accounts of the employees in the Khurda Road Division of the South Eastern Railway;

(c) if not, what are the reasons therefor; and

(d) by when the amounts are expected to be credited to the G.P.F. accounts of the employees with interest accrued thereon?

THE MINISTER OF STATE IN THE DEPARTMENT OF RAILWAYS (SHRI MADHAVRAO SCINDIA): (a) to (d) On introduction of new "Railway Employees Group Insurance Scheme" with effect from 1-1-1982, the balance standing at the credit of the employees in the old Railway Employees Insurance Scheme, was to be credited to their Provident Fund Account. As the Bill Clerks were engaged in making arrear payments on account of successive restructuring of several Group 'C' and Group 'D' cadres with retrospective effect which involved heavy volume of work and was carried out with the existing staff only, this item of work had remained unattended to. Efforts are now being made to credit the due amount expeditiously in their P.F. Account.
